Subject: You're Invited - Perchlorate Symposium, April 17, 2002

If you think your organization representatives, membership or readership would be interested in the Symposium described below, "Perchlorate & NDMA in Groundwater: Occurrence, Analysis & Treatment", please feel free to email or publish the information. Should you want the Groundwater Resources Association to email it to your membership, please let me know, and I will arrange it.

The Symposium registration form, location information and exhibitor/sponsor information and registration form are attached below (in the order mentioned).

Thank you for your time and consideration.
